Ayr and District Branch Show Saturday 16th May 2009

In this years show Class 56 for Three cacti and three “other succulents” is a new class. We are going to make it a “special” class for this year.

There will be as well as the usual prize cards and a Society trophy for the winner, a £5 special for 1st prize, £3 special for 2nd prize and £2 special for 3rd prize which for this year is donated by Mrs Frew.

We hope to continue in future shows to have one “special” class which will vary from year to year and will also have the same money prizes.
